Purpose:

The purpose of this assignment is to equip you with the skills of writing a research project, designing, implementing, testing, and **persuading** prospective clients or business partners to adopt your solution or business idea.

Learning outcomes.

By the end of this assignment;

- you will be able to synthesize and apply knowledge, skills, and methodologies from their academic program to create innovative, impactful solutions that address a real-world challenge or opportunity.
- you will be able to conduct rigorous research to identify and critically evaluate a specific problem or need within your chosen mission area.
- you will be able to effectively present their proposed solutions and learnings to diverse audiences, demonstrating proficiency in public speaking, visual communication, and the use of digital tools.
- you will be able to demonstrate the ability to adapt and refine their products based on feedback, testing, and real-world results, showcasing a growth mindset and commitment to continuous improvement.

	and technologies used. Screenshots and source code are included with clear explanations and analysis.	technologies. Screenshots and source code are present with adequate explanations.	explaining tools, technologies, or code snippets.	explanations of tools, technologies, or code.	
Results & discussion	4 to >3.0 Pts Mastery Presents a thorough and insightful analysis of the results, connecting them to the research questions and project objectives. Discusses implications, limitations, and potential impact.	3 to >2.0 Pts Proficient Presents a well-organized analysis of the results, linking them to the research questions. Discusses key findings and implications.	2 to >0.0 Pts Proving proficient Presents a basic analysis of the results, but lacks depth or critical evaluation. Discussion of implications is limited.	0 Pts Fail Results analysis is superficial or incomplete, failing to connect findings to research questions or discuss implications.	4 pts
Conclusions & recommendations	3 to >2.0 Pts Mastery Student offers clear, concise, and well-supported conclusions that directly address the research questions. Provides thoughtful and actionable recommendations for future research and development.	2 to >1.0 Pts Proficient Student offers clear conclusions that summarize key findings. Provides relevant recommendations for future work.	1 to >0.0 Pts Understanding Student offers basic conclusions but may lack specificity or direct connection to research questions. Recommendations are general or limited.	0 Pts Fail Student's conclusions are vague or unsupported. Recommendations are absent or irrelevant.	3 pts
Overall writing Mechanics [clarity, coherence, & organization]	4 to >3.0 Pts Mastery The report is exceptionally well-written, demonstrating clarity, conciseness, and	3 to >2.0 Pts Proficient The report is well-written and organized, with a clear presentation of ideas. Minor improvements in	2 to >0.0 Pts Proving proficient The report demonstrates basic organization and clarity but may contain	0 Pts Fail The report lacks clarity, coherence, and organization, hindering comprehension	4 pts

Criteria	Ratings				Pts
	logical flow. Ideas are presented in a cohesive and organized manner, facilitating easy comprehension.	clarity or coherence may be possible.	grammatical errors or inconsistencies in flow.	and overall effectiveness.	
Relevant literature	3 to >2.0 Pts Mastery Demonstrates a deep understanding of the relevant literature, critically analyzing and synthesizing key concepts to support the research and findings.	2 to >0.0 Pts Proficient Demonstrates a good understanding of the literature, incorporating relevant concepts to support the research.		0 Pts Fail Demonstrates a basic understanding of the literature, but may lack depth or critical analysis.	3 pts
References	4 to >3.0 Pts Mastery Student utilizes a wide range of credible and relevant sources, demonstrating thorough research. All in-text citations adhere perfectly to the required citation style. The reference list is accurately formatted, showcasing attention to detail and adherence to style guidelines.	3 to >2.0 Pts Proficient Student utilizes some relevant sources, demonstrating adequate research. In-text citations sometimes adhere to the required citation style, with minor inconsistencies. The reference list is well-formatted, with minor inconsistencies or errors.	2 to >0.0 Pts Proving proficient Student utilizes some relevant sources but may lack depth or variety. Citation may contain inconsistencies or errors. The reference list demonstrates basic formatting but may contain inconsistencies or errors that hinder clarity.	0 Pts Fail Student utilizes limited or irrelevant sources, demonstrating inadequate research. Citations are inconsistent or absent. The reference list lacks proper formatting or is absent, significantly impacting clarity and professionalism.	4 pts
Plagiarism	2 to >1.0 Pts Mastery The report is entirely original, with no instances of plagiarism. All sources are properly attributed.		1 to >0 Pts Developing The report contains instances of plagiarism, with inadequate paraphrasing or quoting without proper attribution or direct copying of text.		2 pts
Total points: 35
